# Rules:

Final Feather SMP is a world where players are free to create their own stories. Build kingdoms, form alliances, wage wars, explore the unknown, and leave your mark upon the realm.

Freedom is the foundation of Final Feather, but the world must remain worth building in.

## 1. No Cheating

Hacked clients, x-ray, unfair advantages, combat cheats, or exploits that give players an advantage are not allowed.

## 2. No Server Destruction

Do not intentionally damage the server or make it unplayable.

This includes:

- Lag machines
- Crash exploits
- Chunk corruption
- Anything designed to harm server performance
- No Exploit Abuse

If you find a game-breaking bug or exploit, report it. Do not abuse it to gain an unfair advantage.

Players are encouraged to:

- Build kingdoms
- Create cities
- Form factions
- Make alliances
- Start wars
- Create history

Your creations are your legacy.

## 5. Griefing and Raiding

Griefing, stealing, and raiding are allowed as part of the anarchy experience.

Protect your builds and valuables. The world belongs to those who defend it.

Raids and Griefing to protected buildings is illegal

## 6. No Real-World Harm

Do not:

- Share personal information
- Dox players
- Make real-life threats
- Target people outside the game

## 7. PvP and Conflict

PvP is allowed.

Wars, rivalries, and battles are part of Final Feather.

Do not:

- Combat log
- Use cheats during fights

## 8. Preserve the Server

Large builds, wars, and destruction are part of the world.

However, do not destroy massive areas with the sole purpose of making the server unplayable.

## 9. Spawn Rules

Spawn is where new players begin their journey.

Do not:

- Permanently block spawn
- Create unavoidable traps
- Prevent new players from joining

## 10. Community Rules

Rivalries, debates, and trash talk are allowed.

Do not:

- Spam
- Harass players
- Use hate speech
- Advertise other servers
